WEBSITE TIP · SAVE THIS

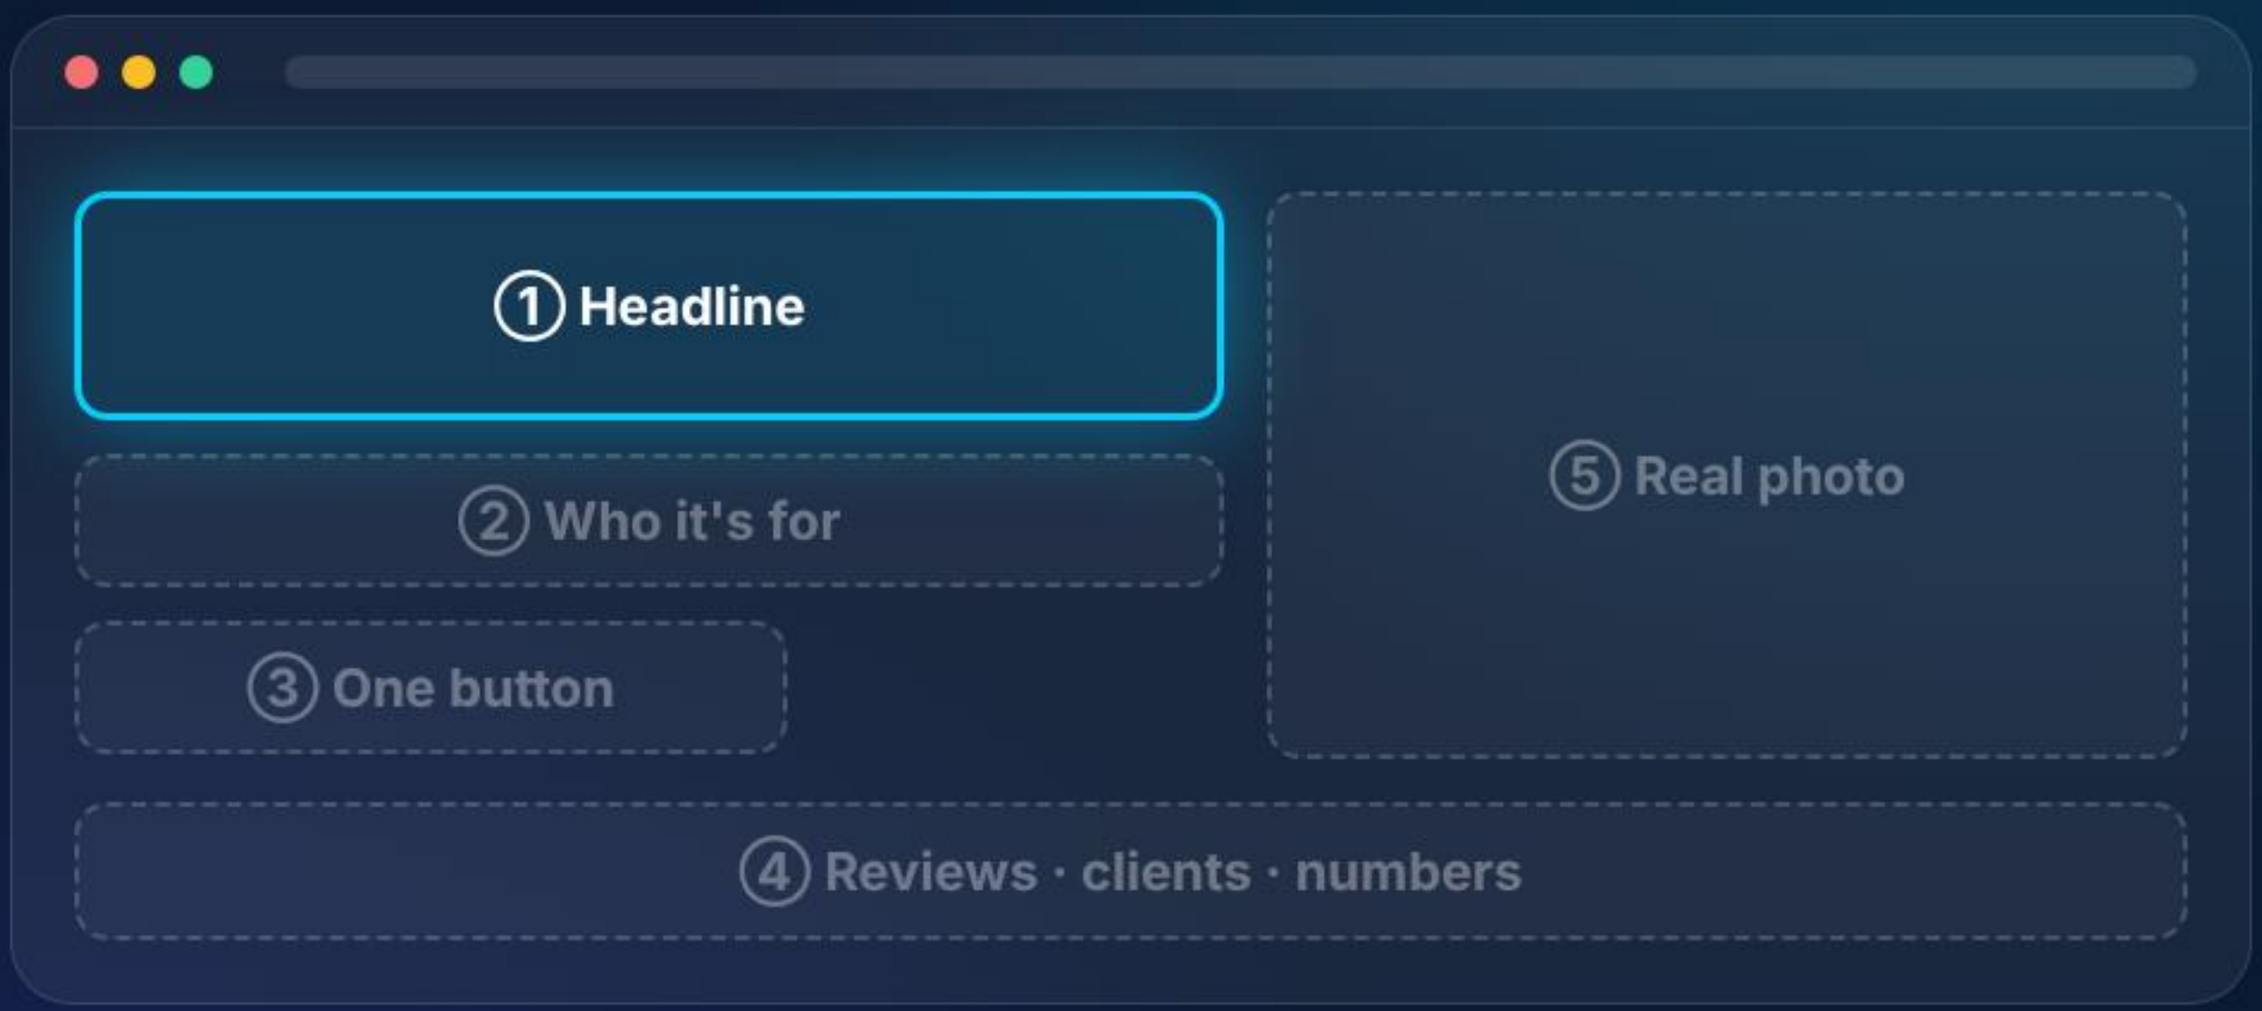

You have 5 seconds to win a visitor.

Here's what the top of your homepage needs, and where it goes. 👉

① HEADLINE

Say what you do

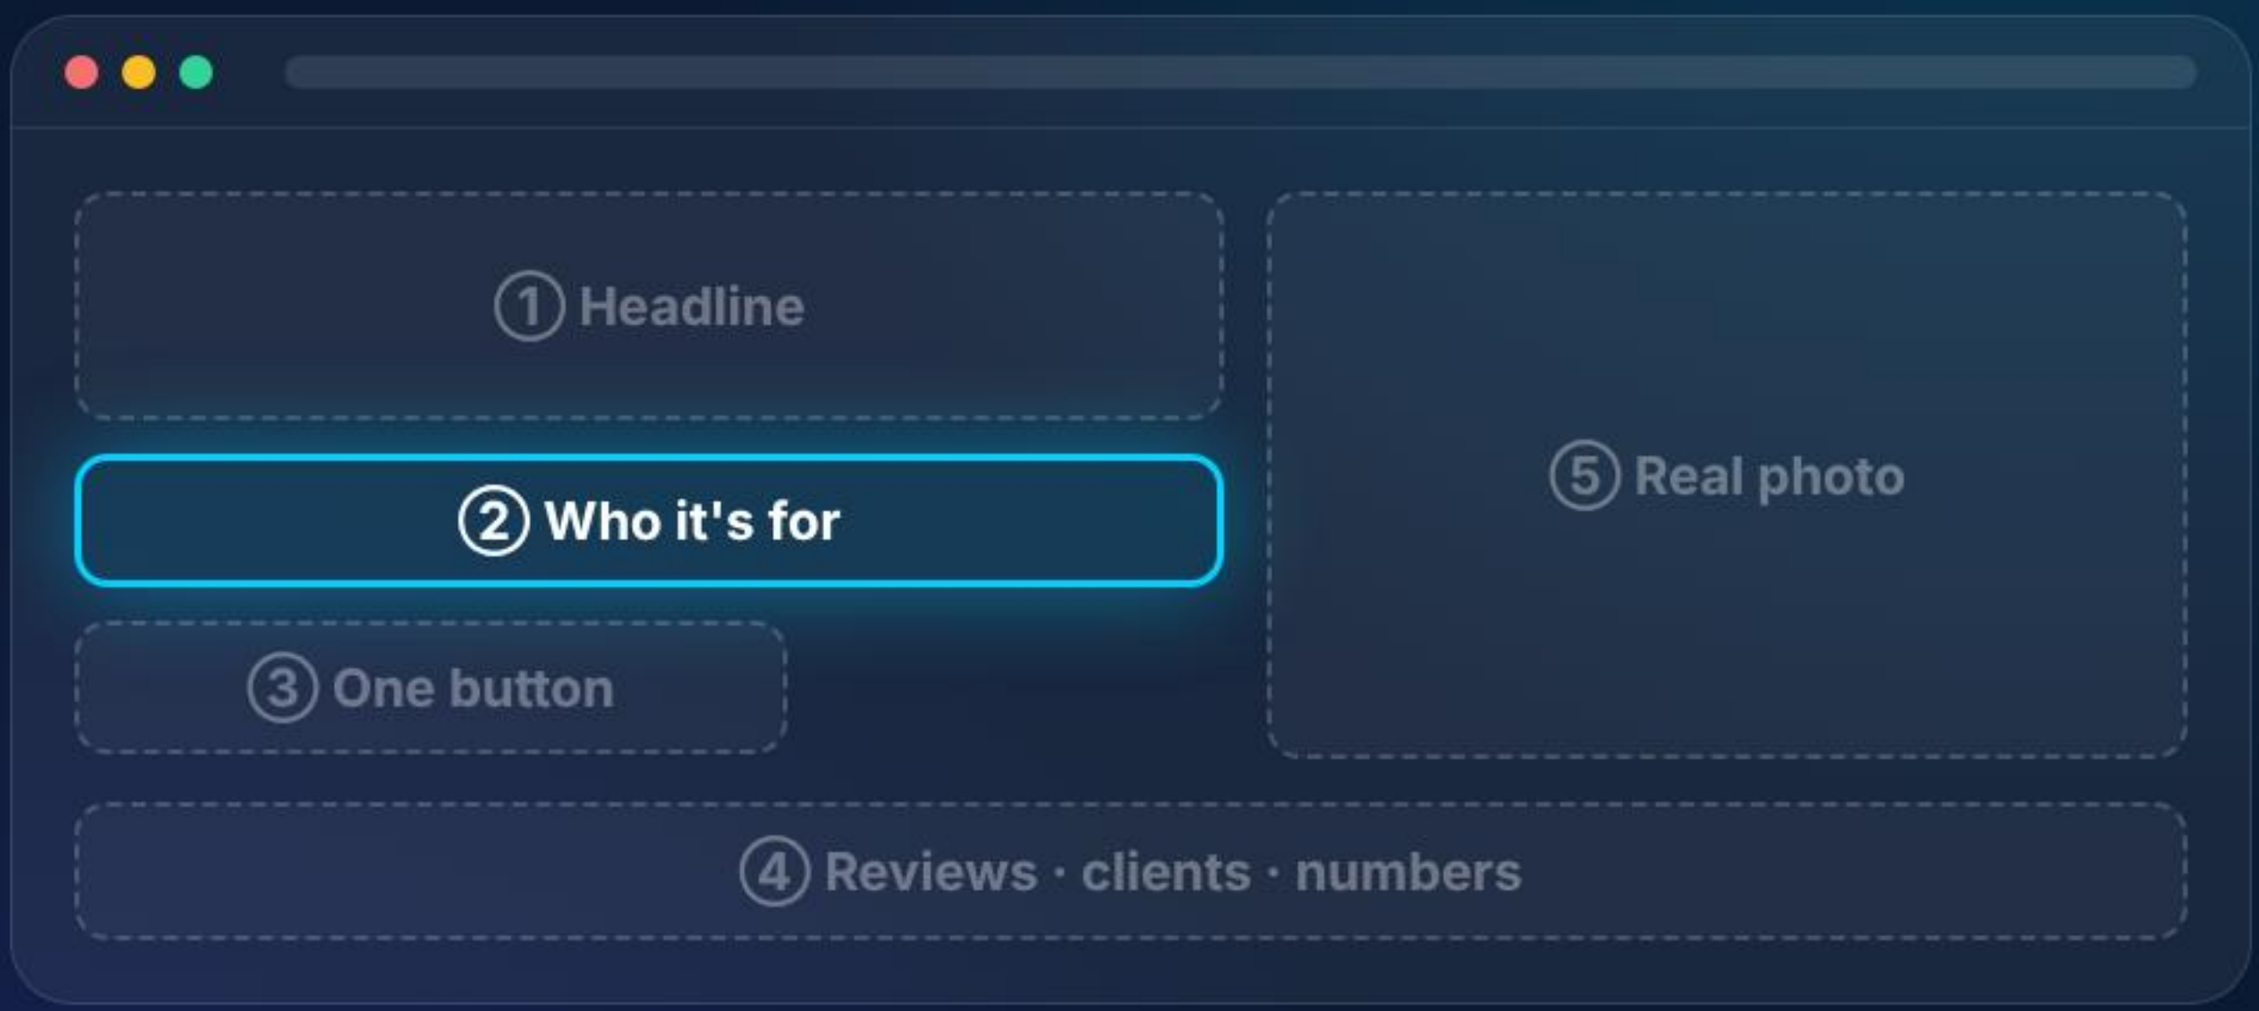

✅ "Websites and apps for growing businesses"

❌ "Welcome to our website"

② SUB-LINE

Say who it's for

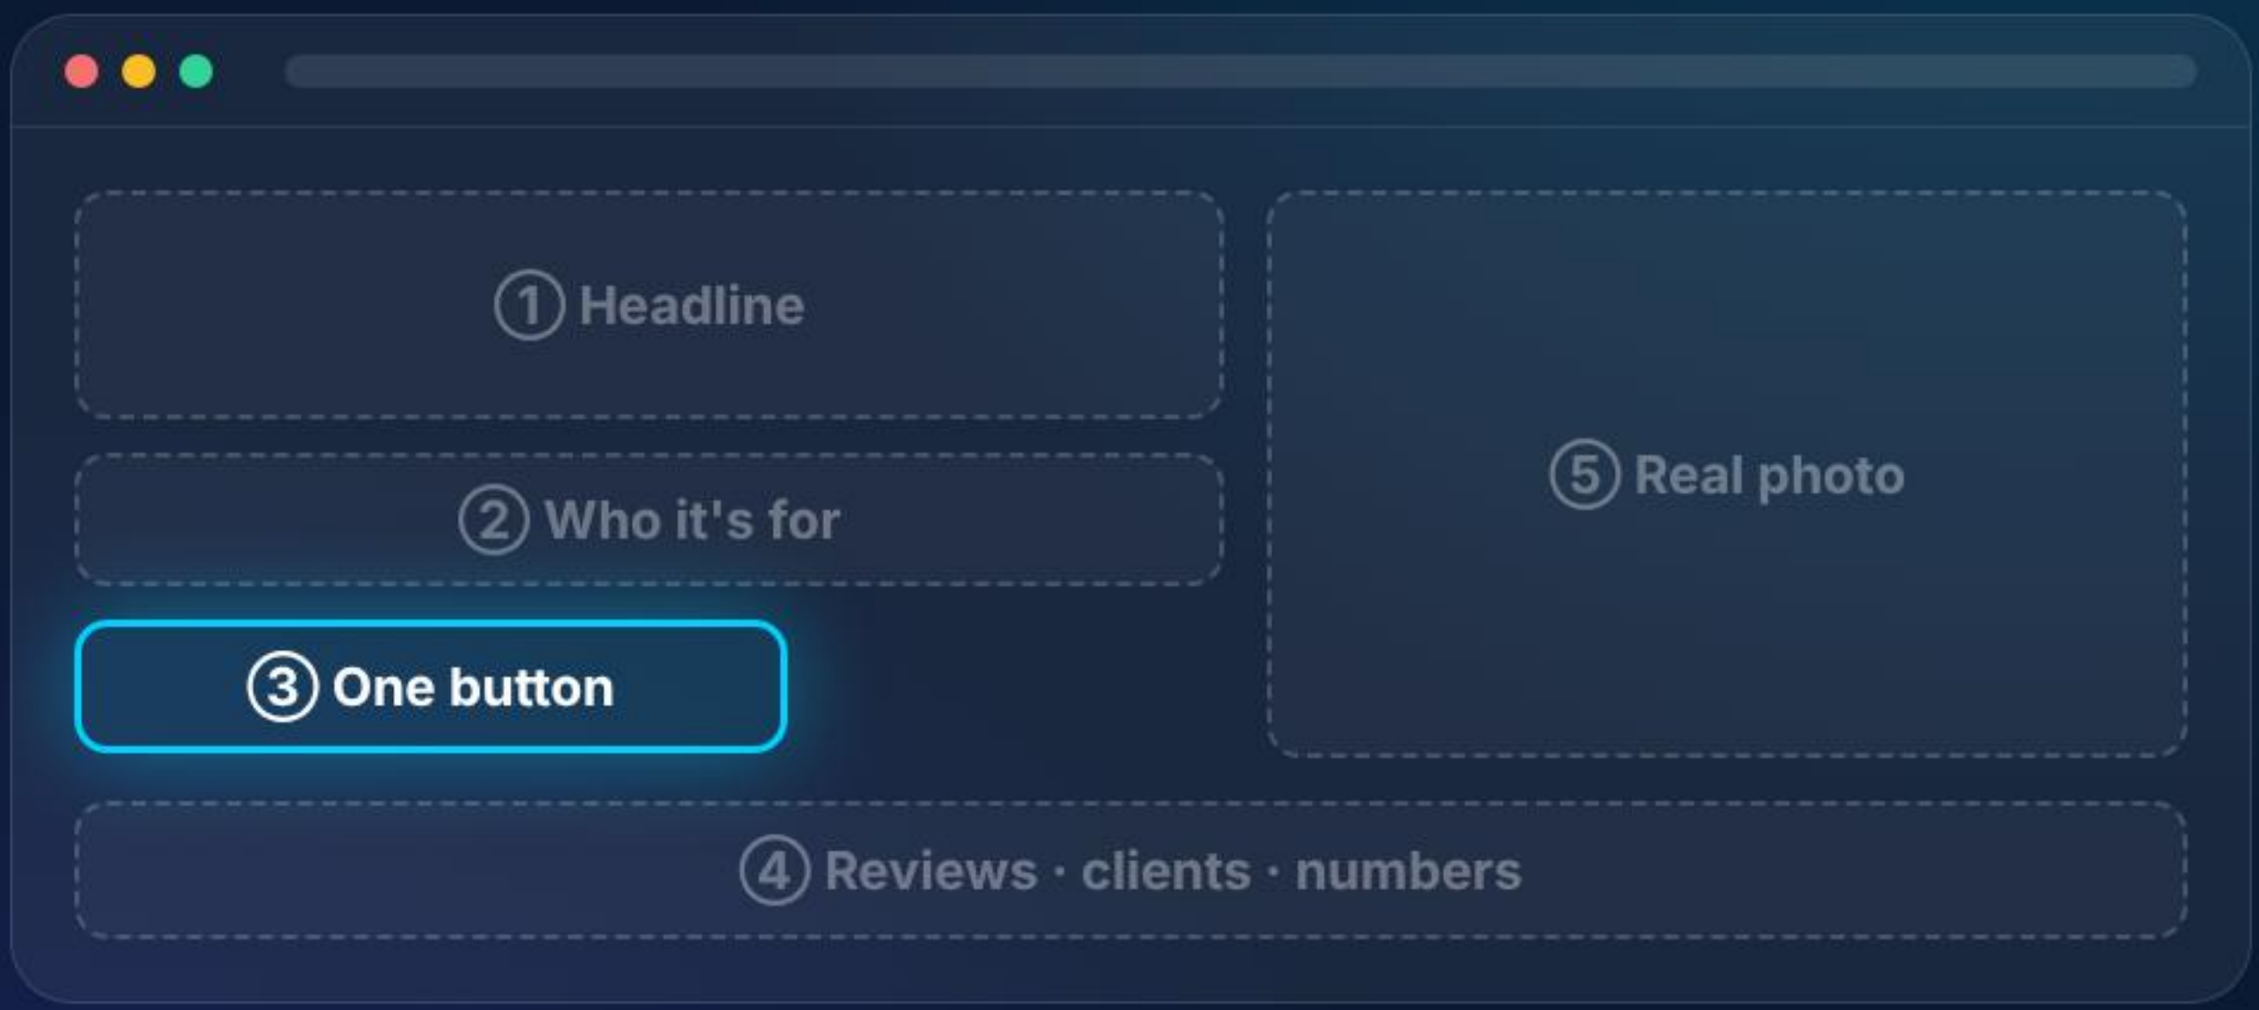

✅ "For clinics, shops and startups. Live in 3 weeks."

❌ A paragraph nobody reads

③ ONE BUTTON

One clear next step

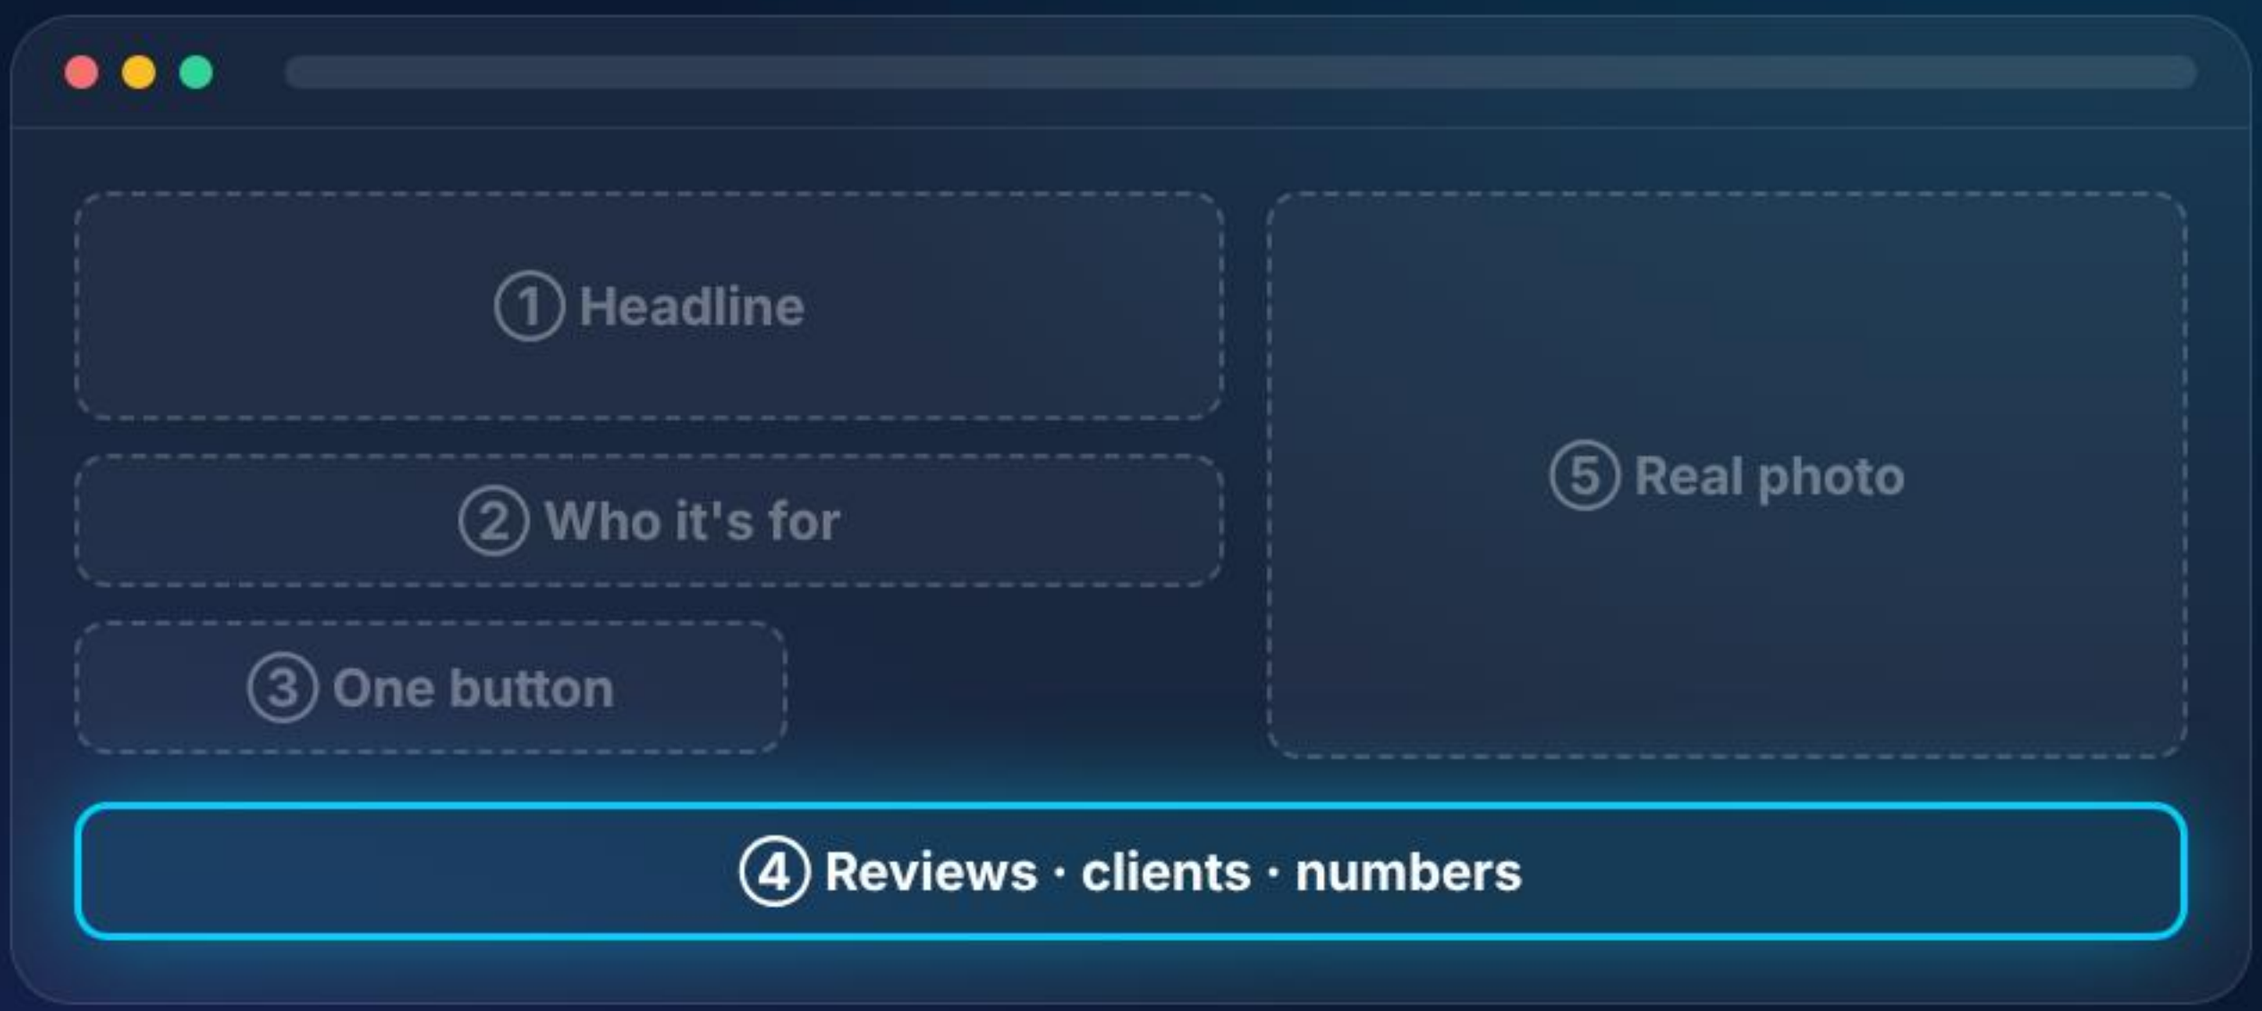

✅ "Get a free quote" or "Chat on WhatsApp"

❌ Six buttons that all say different things

④ TRUST

Show proof up front

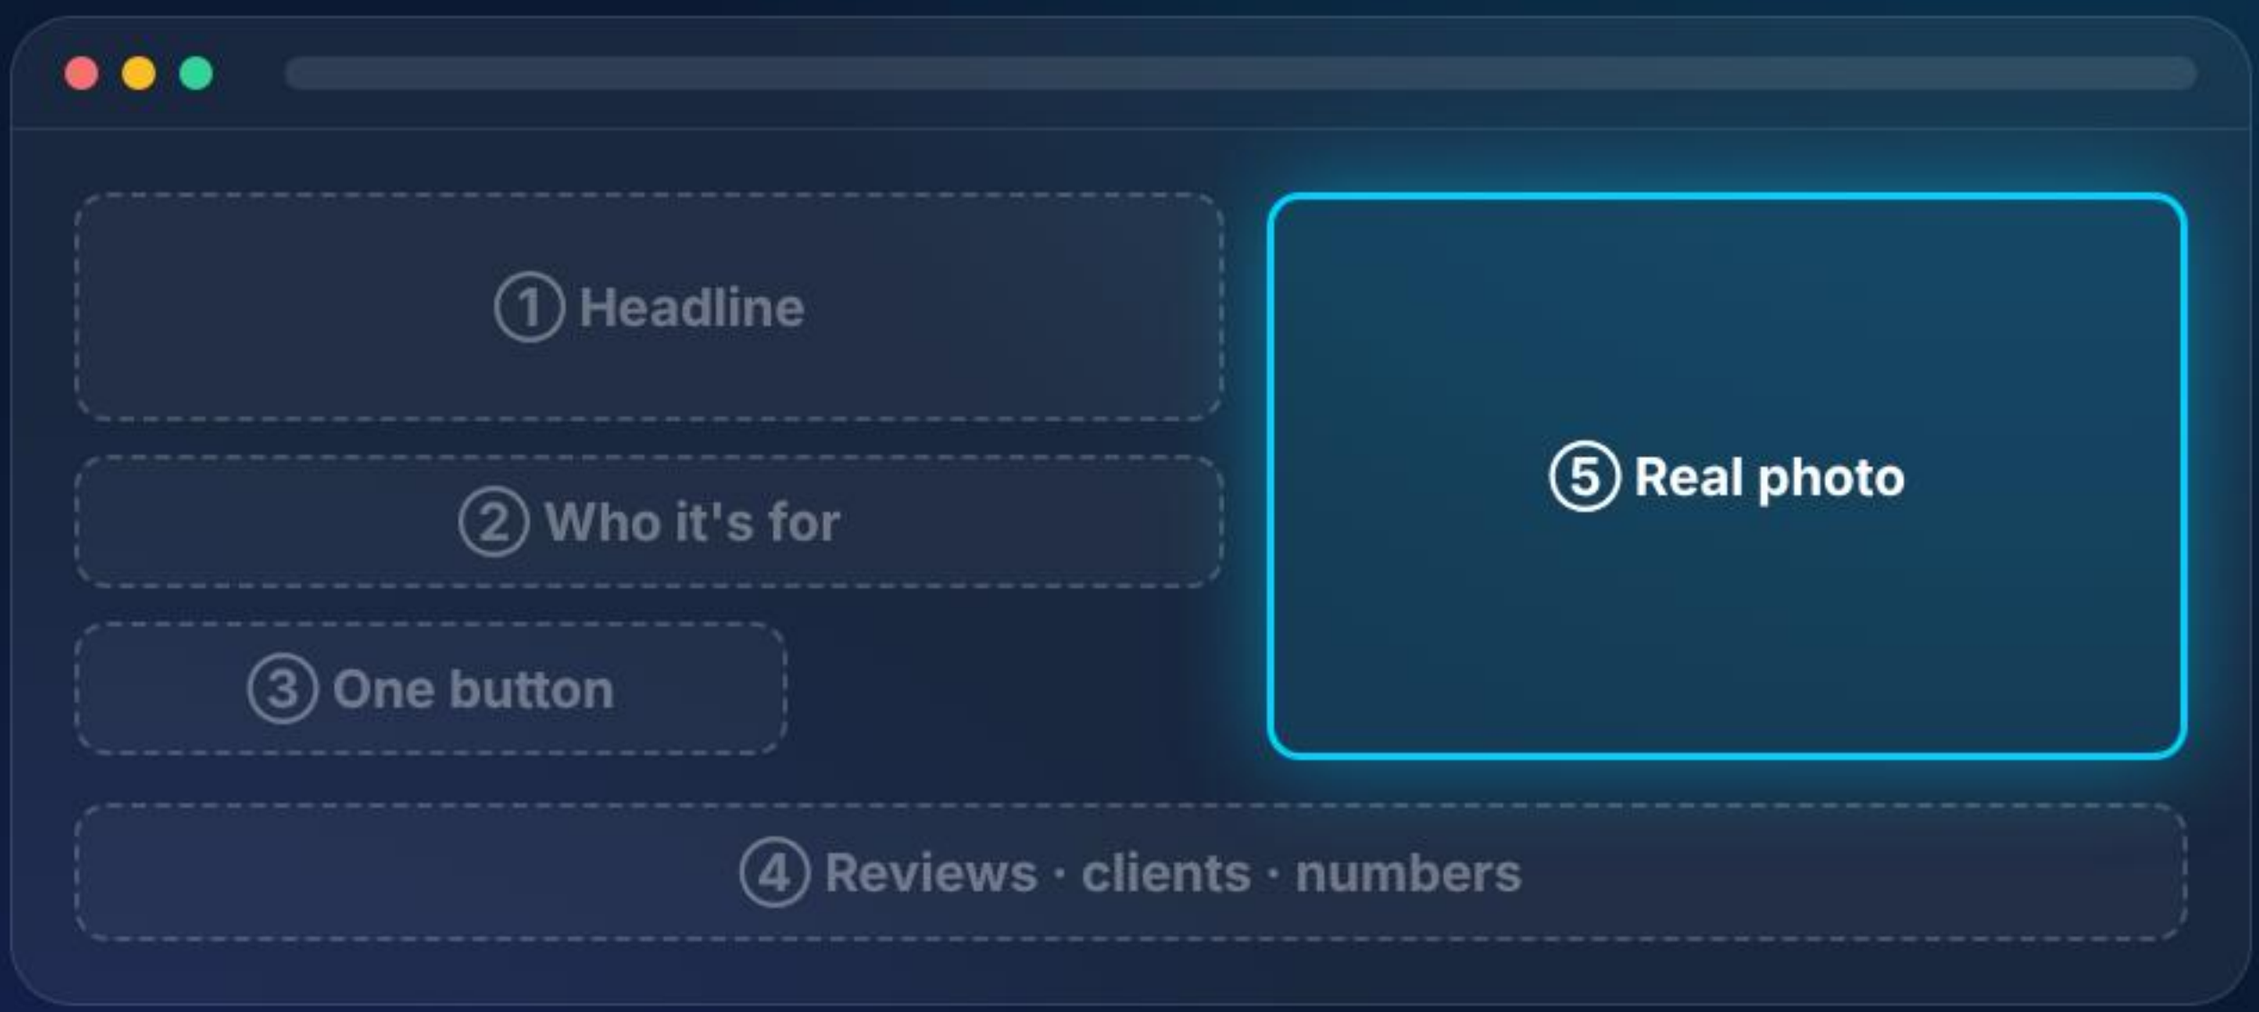

✅ Google reviews, client logos, real numbers

❌ Hiding reviews on a page nobody opens

⑤ REAL PHOTO

Show the real thing

✅ Your work, your team, your product in use

❌ Generic stock photos of handshakes
